Stay, play, learn and make friends!

Welcome to Otley Under 5's Centre (O.U.5's) and thank you for your interest in our facilities. Otley Under 5's was formed in 1984. The group first met in the Village Hall but soon moved into a cheerful purpose-built premises. The Preschool has forged strong links with Otley Primary School. The Centre is a registered charity (charity no: 1013937) and is not run as a profit-making organisation.

Our latest Ofsted inspection can be viewed online or in setting, for which we were awarded a **GOOD** rating in November 2018.

Our aims:

- To enhance the development and education of children under 5 in a parent-involving community group.
- To provide a fun, secure and stimulating environment.
- To work within the EYFS (Early Years Foundation Stage) framework which ensures equality of opportunity for all children and families.
- To ensure children are free to develop their play and learning without fear of being hurt or hindered by anyone else.
- To help children develop self-discipline and self-esteem through an atmosphere of mutual respect and encouragement.
- To encourage all children to develop independence at age-appropriate stages giving them the skills needed in adult life.

Children start to learn about the world around them from the moment they are born. The care and education offered by the nursery helps children to continue to do this by providing them with interesting activities that are right for their age and stage of development.

We ensure positive attitudes to diversity and difference – not only so that every child is included and not disadvantaged, but also so that they learn from the earliest age to value diversity in others and grow up making a positive contribution to society. We focus on each child's individual learning, development and care needs by:

- Removing or helping to overcome barriers for children where these already exist.
- Being alert to the early signs of needs that could lead to later difficulties.
- Involving other agencies as necessary and working alongside with parents and guardians.
- Furthering developments and challenging all children.

Our motto: Respect each other

Specifically, we offer your child:

- A specially tailored curriculum working to Early Years Foundation Stage ranges.
- Individual care and attention through a high ratio of adults to children
- Fun and Friendship
- Support of a personal key person
- Opportunities for parents/partner/carers to be directly involved in preschool activities and in your own child's progress.
- Close working links with Otley Primary School and other local schools ensuring a smooth transition to school when your child is ready.

Come and join in!!

Parents/partners/carers are the first educators of their children. We aim to support their essential work and utilise their skills. Research shows that children learn better when their parents/partners/carers are involved. We encourage all parents/partners/carers in helping in the group on a regular basis, this will;

- Help to maintain the high ratio of adults to children in our preschool.
- Gives parents/partners/carers the opportunity to take an active part, see what their child is doing and talk about it with them afterwards.
- Provides a valuable opportunity for all children to see their own parents/partners/carers in a new role.

Other activities:

Parents/partners/carers are also encouraged to:

- Assist with fund-raising.
- Take part in the management of the preschool.
- Although there is no formal duty rota, parents/carers are encouraged to spend time in the preschool. If you wish to attend a session mention it to the staff.
- The preschool provides all play equipment, materials and aprons. Contributions of surplus paper, collage or junk modelling are always welcome as are dressing up clothes and unwanted toys and puzzles. If you have anything you would like to donate please speak to a member of staff.

Otley pupils come mainly from the village of Otley and the surrounding villages. The number on roll is approximately 50. For more information visit the Otley Primary School website; www.otleyprimaryschool.co.uk

In the term after your child turns 4, they will be able to attend school either part-time or full-time. If your child does attend part-time, they can still come to preschool. However, you will be charged for these sessions as the funding will then be going to the school.

We have a close working relationship with Otley Primary School;

- Where possible the older children go over to the school for assembly with a staff member from Preschool.
- We hold craft sessions with the Reception teacher and Class 1 pupils at Preschool.
- The childrens developmental stages are recorded when finishing nursery and are transferred to the Reception teacher when your child attends school.

This enables the children and teacher to get to know each other, creating a smoother transition from preschool into school.

The Early Years Foundation Stage (EYFS)

The Foundation Stage is a very important stage in your child's life as it helps them get ready for school as well as preparing them for their future learning and successes. From when your child is born up until the age of 5, their early years experience should be happy, active, exciting, fun and secure; and support their development, care and learning needs.

The following website has lots of information explaining the EYFS for parent and guardians:

<https://foundationyears.org.uk>

This is a useful and informative document and is well worth a read in order to fully understand the EYFS.

At Otley Under Fives Centre:

Key Person Programme

Our key person system gives each member of staff particular responsibility for just a few children. Each child in the Nursery has one special adult to relate to; making settling into the nursery easier and the key person is in a position to tailor the nursery's curriculum to the unique needs of each individual child. The key person maintains links with the child's home, working with parents/partners/carers through shared record keeping ensuring that all children are supported in reaching their full potential.

Learning Journeys

Because of the high adult/child ratio in the group, key persons are able to implement a record keeping system in which observations of the children are used as a basis for drawing up a curriculum for each child. These records are passed on to the school to give a clear picture of your child's progress. The aim of these records is to enhance the development and education of your child. The records are confidential, but parents/partners/carers can see their child's records at any time.

At Otley Under Fives we use an online learning journal called Tapestry. A link will be set up for you when your child registers and all observations and developmental record keeping will be on this. It is confidential and only accessible by the appointed guardian and nursery staff, and fully managed by the manager.

There will also be at least one open event each year, which will provide parents/ partners/carers an opportunity to see what their children have been doing and to discuss their records with the play leaders.

MANAGEMENT AND ADMINISTRATION

The nursery is run by an elected committee, which ensures that major decision-making is in the hands of the parents who use the group. The committee is responsible for reviewing both policy and practice, and for the employment and appraisal of members of staff. Our Annual General Meeting usually takes place in September. This is when the committee is elected for the following year. Date and time of this meeting is advertised in the preschool. It is essential for continuity of the Otle Under Fives Centre that Parents/partners/carers attend.
